BY MASTER CARVER PETER CALVESBERT
FIXED EDITION OF 500

Domestic cats are impossibly elegant. Even when they're in the oddest of positions, their grace is unmistakable. While Peter was carving this feline box figurine, the World Cup was still underway. The result on the lid records yet another low point for England as they got knocked out of the tournament by Germany, again! Ghana is inscribed, as they were to be the next opponents for the USA team (Ghana went on to win 2-1). Peter's signature mouse is hiding under the lid, and a famous cat is found within.
