No Bones About It

BY MASTER CARVER PETER CALVESBERT
FIXED EDITION OF 200

Friends of Master Carver Peter Calvesbert recently acquired a Boston Terrier. "Bort" is quite a character and seemed like a perfect subject for a box figurine. This fixed edition of 200 portrays a trio of distinguished looking terriers and one squashed stuffed animal. The "Sgt Stubby" inscription refers to the Boston terrier mascot of the 102nd infantry, a decorated war hero. "Rhett" became the Boston University mascot in 1922. "Floydada, Texas" is the location of a museum opened by Bob Hambright and dedicated to Boston terriers. "J.P." is a clue to the PSLRH competition (see "Graveyard Shift" secrets).
