BY MASTER CARVER PETER CALVESBERT  
FIXED EDITION OF 100

The opossum is known for feigning death. Master Carver Peter Calvesbert's opossum takes the deception one step further by lying atop a coffin. This fixed edition has 13 babies inside, one for each nipple! Actually, there are twelve baby opossum and Peter's hidden mouse. Inscribed on the box are the letters "PSLRH". If you think you know what these letters stand for, post your guess to Peter's Facebook page.
