Feeding Frenzy

TREASURE JESTS

BY MASTER CARVER PETER CALVESBERT
FIXED EDITION OF 500

We have all seen the result of greed and immorality amongst financial institutions, insurance companies, and big business, as well as governments that saw fit to deregulate these industries. "Feeding Frenzy" reflects Peter's feelings toward these people. The initials of some of the worst offenders are displayed throughout for all to see. See if you can figure them out! The interior shows the brilliant solution to financial incompetence . . . print more money! Or as they would prefer to call it: "quantitative easing".
