ANNUAL SANTA - TIMED EDITION

Laughing All The Way

2011's Santa has decided that those "naughty children" called bankers (among other things) are deserving of a special present. Again this year they have rewarded themselves with huge bonuses, so choosing a perfect gift for the banker with everything requires some creativity. One of Santa's reindeer is "depositing" a little present of his own. Inscribed on the lid are the five biggest bailouts given to banks in the U.S. Also fans of the bonus system are two U.K. banks - Lloyds and Barclays - inscribed on Santa's coat.
